

RESOURCE

is organizing a one day Seminar on

**RECENT TRENDS IN
CONSTRUCTION MANAGEMENT**

on 12th October 2012
9.30 am to 5.00 pm

at **Hotel Green Park**

No. 183, NSK Salai, Vadapalani, Chennai - 600 026.

RESOURCE is a multifaceted group having divisions in event management, customized software, organizational training, marketing consultancy and organizing seminars and symposiums. We are very much known to the industry luminaries from 1993 onwards.

Our earlier successful programs are

“Cost Effective Construction – Through Better Project Management Methods”

“Innovative Construction Techniques & Methodologies”

“Modern trends in Construction Process” etc.

Now we are organizing a one day seminar on:

RECENT TRENDS IN CONSTRUCTION MANAGEMENT

This seminar will extensively engage in the following aspects and domains for the top management / project managers / project engineers and professionals engaged in construction industry :

- 1) **Integrated Project Delivery (IPD) – Concepts & Practice.**
- 2) **Energy Efficient Building Construction – Recent Trends.**
- 3) **Role of New Construction Materials in improving Quality & Cost Efficiency in projects.**
- 4) **Advancement in use of Construction Machinery & Tools – A Critical Approach.**

The above topics will be dealt by the industry experts and thought agents. We are sure that all the participants will be able to carry

back a repository of knowledge particularly in the management of modern construction industry.

The acquired knowledge through this will enhance not only the participant's knowledge base and also will percolate to enrich the profitability of the organization.

The seminar will trigger and spearhead the tips and techniques in the modern scenario, the forward thinking ideas and strategies which are in vogue around the globe will surely be a value addition to the participating organizations and individuals.

This seminar will be useful even to the fresh minds who are in the infrastructure industry who have the determination and willingness to climb the corporate ladder quickly.

Also this seminar will be useful for consultants and project management specialists, poised to carve a distinctive niche for themselves amongst their co-professionals.

We are sure you will utilize this great opportunity in enhancing your / organization's learning curve.

Look forward to your positive response and to meet you in person at the seminar.

Tea and Lunch will be provided
